

# GHA House League End of Game Rules

As of February 24th 2003.

Effective immediately, GHA house league games are to end at the first occasion where one of the following occurs:

- 1) The game clock runs out;
- 2) Arena staff buzz the teams off at the 50 minute mark;
- 3) The referee stops the game once the 50 minute mark has been reached, **but only at a stoppage of play**. The referee, including the minor officials are not to stop the game while it is in play.

These rules are in effect for all remaining house league games, including the playoffs. Semi-finals and final games may be subject to different end of game rules.
